The Rise and Fall of Fascism in Italy, 1911 – 1946

It is vital that you develop and understanding of Italy before 1911, especially the unification of Italy.

Research the following:

- Italy pre-unification
- Risorgimento
- The roles of Giuseppe Garibaldi and King Victor Emmanuel II

Germany and West Germany, 1918-1989

The Treaty of Versailles had a phenomenal impact on Germany and the stability of the Weimar government. A significant part of this course requires you to read and understand differing historical interpretations of events.

Research the following:

- The clauses of the Treaty of Versailles
- The aims of the 'Big Three' – David Lloyd-George (Britain), Georges Clemenceau (France) and Woodrow Wilson (USA)
- Impact of the Treaty of Versailles on Germany

Work to be submitted:

Send your notes in a Word document or as a crystal-clear picture (if hand-written) to:

Mr J Williams, jwilliams@dma.tela.org.uk

Mr J Osborne, josborne@dma.tela.org.uk

You should also bring your notes to your first History lesson, as you will need them to complete your baseline assessment.
