

Year 7 RPE (Religion, Philosophy and Ethics) Homework

(Starts from January)

Most of these tasks require you to learn the key information from the knowledge organisers that you have been given. You are expected to know all of the information from each of these knowledge organisers. You will find the knowledge organisers in your RPE Teams channel titled, 'Knowledge Organisers'.

Almost all homework tasks include an online quiz to help you to test your knowledge. You can find the links to the quizzes in your class Team.

Revision strategies

There are lots of ways in which you could revise the key information. Here are some examples:

- Make flashcards with key questions and answers on them and get a member of your family or a friend to test you on them.
- Create a mind map of each topic, using the knowledge organiser to help you.
- Look at your mind map, then put it away and try to reproduce it on a blank sheet of paper or in your RPE exercise book.
- Create a 'keyword' sheet by writing up key **bold** words from the knowledge organiser and then drawing something next to it to help you remember what it means.
- Make yourself a Quizlet or a Kahoot based on the information in the knowledge organiser and play it with your friends.

It is a good idea to try different revision techniques through the year so that you can find out what works best for you.
