

# How to prepare for your FINE ART 10 hour practical session.

No need to revise! BUT you will still need to plan Art into your revision schedule as it is vital you are prepared for your 10 hour session. The good news is that your teacher is here to guide you through this. Your main focus should be on completing the lesson work and homework as directed by your class teacher. IF YOU COMPLETE ALL OF THIS YOU WILL BE READY!

You can check you are ready by using the visual sketchbook guide to make sure you have met all of the assessment objectives and that each sketchbook page shows evidence of your skill level.

Check with your teacher, they will be happy to post it note your sketchbook with direct feedback on how to improve.
