

EXPLORE: Visit a gallery, museum or place of interest. This can be local to Cambridge or anywhere in the world that you find yourself over the summer.

TASK: Make a visual record of your visit on one A4 page. This should communicate your experience and a personal response to the visit and could include; photos, your own studies or artwork, postcards, flyers, tickets and annotation.

CHALLENGE: Whilst at your EXPLORE location take yourself on a visual journey using the FORMAL ELEMENTS.

Choose a formal element to study.

TASK: Produce one A4 page, this should show your understanding of this formal element and include;

- ✓ 10 small thumbnail sketches showing that formal element in use
- ✓ One larger high quality drawing
- ✓ Annotation to explain

You can use any appropriate media or materials

Be ready to share your work in your first lesson.

PURPOSE:

Throughout the course you will be challenged to work independently, to find inspirational sources to help you to develop personal ideas, to use the formal elements with control and to record your work. These tasks will help to prepare you for this and give your teachers a sense of your artistic qualities.
